

*Extra strong for
extra durability*

AREAS OF APPLICATION

Finally a thread that does what it promises. The name says it all: EXTRA STRONG. It holds together what belongs together. For years on end. This thread has been created for seams that have to resist the highest levels of stress. EXTRA STRONG can be used as a stable, tear and chafe resistant thread or in decorative applications. Whatever the requirement, it always produces an extra strong result.

PRODUCT FEATURES

- **High tensile strength**
Provides greater seam strength with no thread breakage and high chafe resistance.
- **Optimal sewability**
EXTRA STRONG can be used for both hand and machine sewing.
- **Decorative**
Decorative quilting seams are particularly successful with EXTRA STRONG.
