

# Set effective signals

## AREAS OF APPLICATION

METALLIC is the thread for special effects. It gives creative works an intense interplay of light and shadow as well as a surprising and long-lasting 3D effect. Particularly suitable for fashionable embroideries and badges. Put your embroidery in the spotlight with METALLIC.

## PRODUCT FEATURES

- Metallic shine**  
 For special effects with intensive luminous power on all kinds of material. Also excellent when used together with other Amann Group Mettler embroidery threads.
- High breaking resistance and optimal elasticity**  
 These characteristics make working with METALLIC easy and undemanding.
